## *"Mission Statement"*

Haywood County Home Builders Association, the voice of Haywood County's building industry, is an association of building professionals and related associates, purpose is to maintain high standards in the building industry for its members and homeowners.

## *"Code of Ethics"*

- Home ownership can and should be within the reach of every family.
- American homes should be well designed, well constructed, & well located in attractive communities, with educational, recreational, religious, & shopping facilities accessible to all.
- American homes should be built under the free American enterprise system.

1. Our paramount responsibility is to our customers, our community and our country.
2. Honesty is our guiding business policy.
3. High standards of health, safety, and sanitation shall be built into every home.
4. Members shall deal fairly with their respective employees, their subcontractors and suppliers
5. As members of a progressive industry, we encourage research to develop new materials, new building techniques, new building equipment and improved methods of home financing, to the end that every home purchaser may get the greatest value possible for every dollar.
6. All sound legislative proposals affecting our industry and the people we serve shall have our informed and vigorous support.
7. We hold inviolate the free enterprise system and American way of life. We pledge our support to our Associates, our local, state and national Associates and all related industries concerned with the preservation of legitimate rights and freedoms.
